

ENVIRONMENTAL STATEMENT – DI SHINE CLEANING LTD

At **Di Shine Cleaning Ltd**, we are committed to minimising our environmental impact and delivering services that are safe, responsible, and sustainable.

We work to:

✓ Reduce waste

- Use resources efficiently
- Recycle where possible
- Minimise single-use materials

✓ Use safer products

- Choose approved, eco-conscious cleaning solutions
- Follow COSHH requirements
- Avoid unnecessary chemical use

✓ Reduce energy & water consumption

- Use energy-efficient equipment
- Turn off tools and lights when not in use
- Use water responsibly

✓ Lower our carbon footprint

- Plan routes efficiently to reduce travel
- Maintain vehicles for better fuel performance
- Encourage greener travel choices

✓ Work responsibly with suppliers

- Prefer eco-aware suppliers
- Choose sustainable materials where possible

✓ Educate our team

- Provide environmental awareness training
- Promote responsible cleaning practices
- Encourage staff input for greener operations

We regularly review our environmental practices and update them to meet modern standards and regulations.

For commercial clients who require detailed compliance documentation, our full Environmental Policy is available on request.
